AUDITORIUM

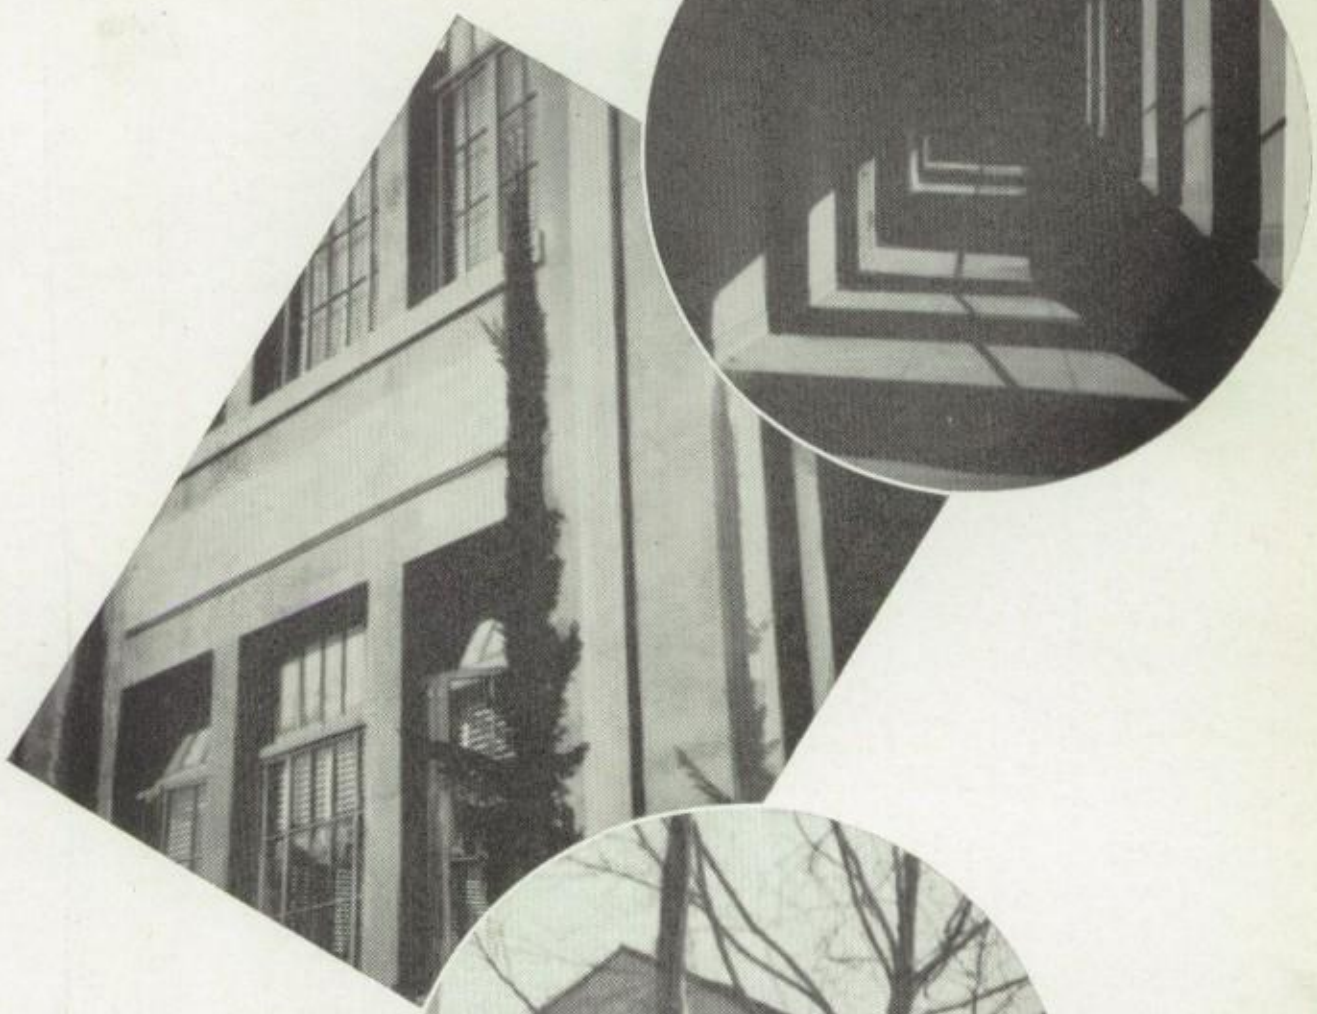
Dedication

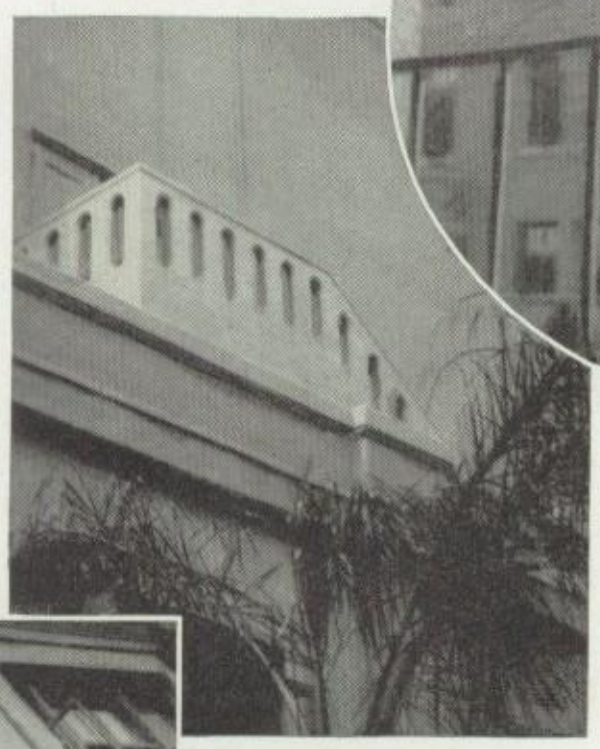
He has mastered the art of teaching, the ability of passing on to his students the knowledge he has gained. His position in the science department brings him into contact with a great many students, and to them he has endeared himself by his patience, his sense of humor, and his friendliness. In appreciation of these qualities we affectionately dedicate this, the nineteen thirty-nine El Aviador, to Mr. T. U. Hawley, an artist who uses test tube and microscope rather than paint brush and palette.

J. U. Hawley

Foreword

In painting any picture, a good background is essential for success. On life's canvas the experiences gained from school activities form a major part of this background. With "Art" as the theme, this 1939 annual presents one year's accomplishments in the course of learning the art of living.





EXCELSIOR UNION HIGH SCHOOL

ADMINISTRATION

To Mr. Burnight, as principal, falls the responsibility of guiding the progress of our school. We are truly fortunate in having in this position a man who is so genuinely interested in the betterment of Excelsior and who is continually striving toward accomplishing this purpose.

Unfortunately, illness has kept Miss Rankin from resuming her position as vice principal. During her absence Mr. Richardson has ably performed these duties in addition to his difficult tasks as Dean of Boys. His work has been most efficient.

This year with a virtual horde of freshmen and new students, Miss Watkins has been busier than ever. Her friendly manner has not changed and any student will find her ready and willing to be of help.

Miss Tombs, in her new position as Dean of Girls, has been in charge of the Girls' League which has had a very successful year with more meetings than usual and the two eventful Mothers' Teas.

STUDENT GOVERNMENT

The student body government for the first semester of the 1938-39 year was headed by John Aldrich, president. This semester saw the presentation of unusually original and amusing rallies in the new auditorium, and the continuation of the noon dancing.

Assisting the president in governing the student body were Darlene Hawkins, who directed the judges in their activities; Mary Ann Rymer, who kept the merit records of the students; George Millard, in charge of the student body fees; and Larry Suutton, who headed the campus committee. The singing and rooting sections were led by Mary Jo Flynn and George Dobias.

Neil Gillispie, after winning a very close election from Larry Sutton, took charge of the second semester.

He was very capably assisted by Donna Leeson, vice president; Jeanne Easton, secretary; George Millard, treasurer; Sammy Ishikawa, sergeant-at-arms; Milton Druey, yell leader; and Dorothy Engstrom, song leader.

All these officers were very instrumental in producing an outstanding year of efficient student body government.

COMMITTEES

The judicial department of the school is composed of four judges who try the cases of students and decide how many merits shall be deducted from the individual record. With the help of their adviser, Miss Tombs, the judges are to be congratulated upon their efficiency and judgment.

The Halls and Grounds Committees accomplished more this year than ever before in improving the appearance of the school.

The Grounds Committee was advised by Mr. Ford with Doug Reid as the chairman and Miss Yeager advised the Halls Committee while Fred Postma was the chairman.

The Athletic Committee successfully took charge of games, kept order and reminded students of conduct. Mr. Cleavinger advised this group and Harold Lee served as chairman.

The groups with the cooperation of most of the students have helped bring about a feeling which will create better citizenship.

WINTER CLASS OF '39

The Winter Class of 1939, although small in number was mighty in scholastic and athletic ability. Its members began this successful career under the leadership of Sammy Itaya. During the Sophomore year they were very ably led by Dorothy Dunlap.

It was Johnny Aldrich, later to become Student Body President, who served as president in the Junior year. The members of the class were very prominent in their red and white junior sweaters. Much of the talent for the Junior play, "Tom Sawyer," came from the ranks of this class, which won the acclaim of the school, as did the Junior and Senior Prom which was held in the colorful atmosphere of a Japanese tea garden.

The class spent an active Senior year under the direction of Bob Ezell. Members of the class headed the Student Body government and assisted in the successful production of "Spring Fever," the Senior play.

The entire class feels its indebtedness to Mrs. Isaacson and Mr. Gerard for their friendly guidance.

SUMMER CLASS OF '39

The summer class history has been one of outstanding activity and service to the school. The class elected Larry Sutton presiding officer in their Freshman year, while Gerald Reynolds served in this capacity during the Sophomore year. Neil Gillispie led them as juniors and their long anticipated sweaters were blue and white.

This class presented "The Adventures of Tom Sawyer", a most amusing comedy, and sponsored the Junior-Senior Prom with the "Old Mill Stream" as the theme.

As seniors, the class enjoyed numerous successes with Elbert Terry as president. This year the members of the class headed the student body government and also participated in the production of "The Devil and the Cheese," the senior play.

The entire class feels that much of its success has been due to the work and cooperation of Miss Dexter and Mr. Reeves.

UNDERCLASSMEN

Working very hard this year the Senior B's presented a dance and took part in the production of the Junior play. Their Kay Kyser dance was one of the most novel dances of the year.

The Junior A's, with the help of the Senior B class, put on the Junior play, "Brain Trouble," and also gave a dance with "Christmas" as their theme. They chose teal blue as the color for their class sweaters.

Cardinal was picked as the color for the Junior B sweaters, and they presented a very entertaining dance with "Hallowe'en" as the theme.

The Sophomore A's found time to produce their first all school dance this year, with "Neptune's Bay" as the theme.

Combined Freshman classes enjoyed their annual "Frosh" party this year. It was given in the auditorium with members of different classes furnishing the entertainment.

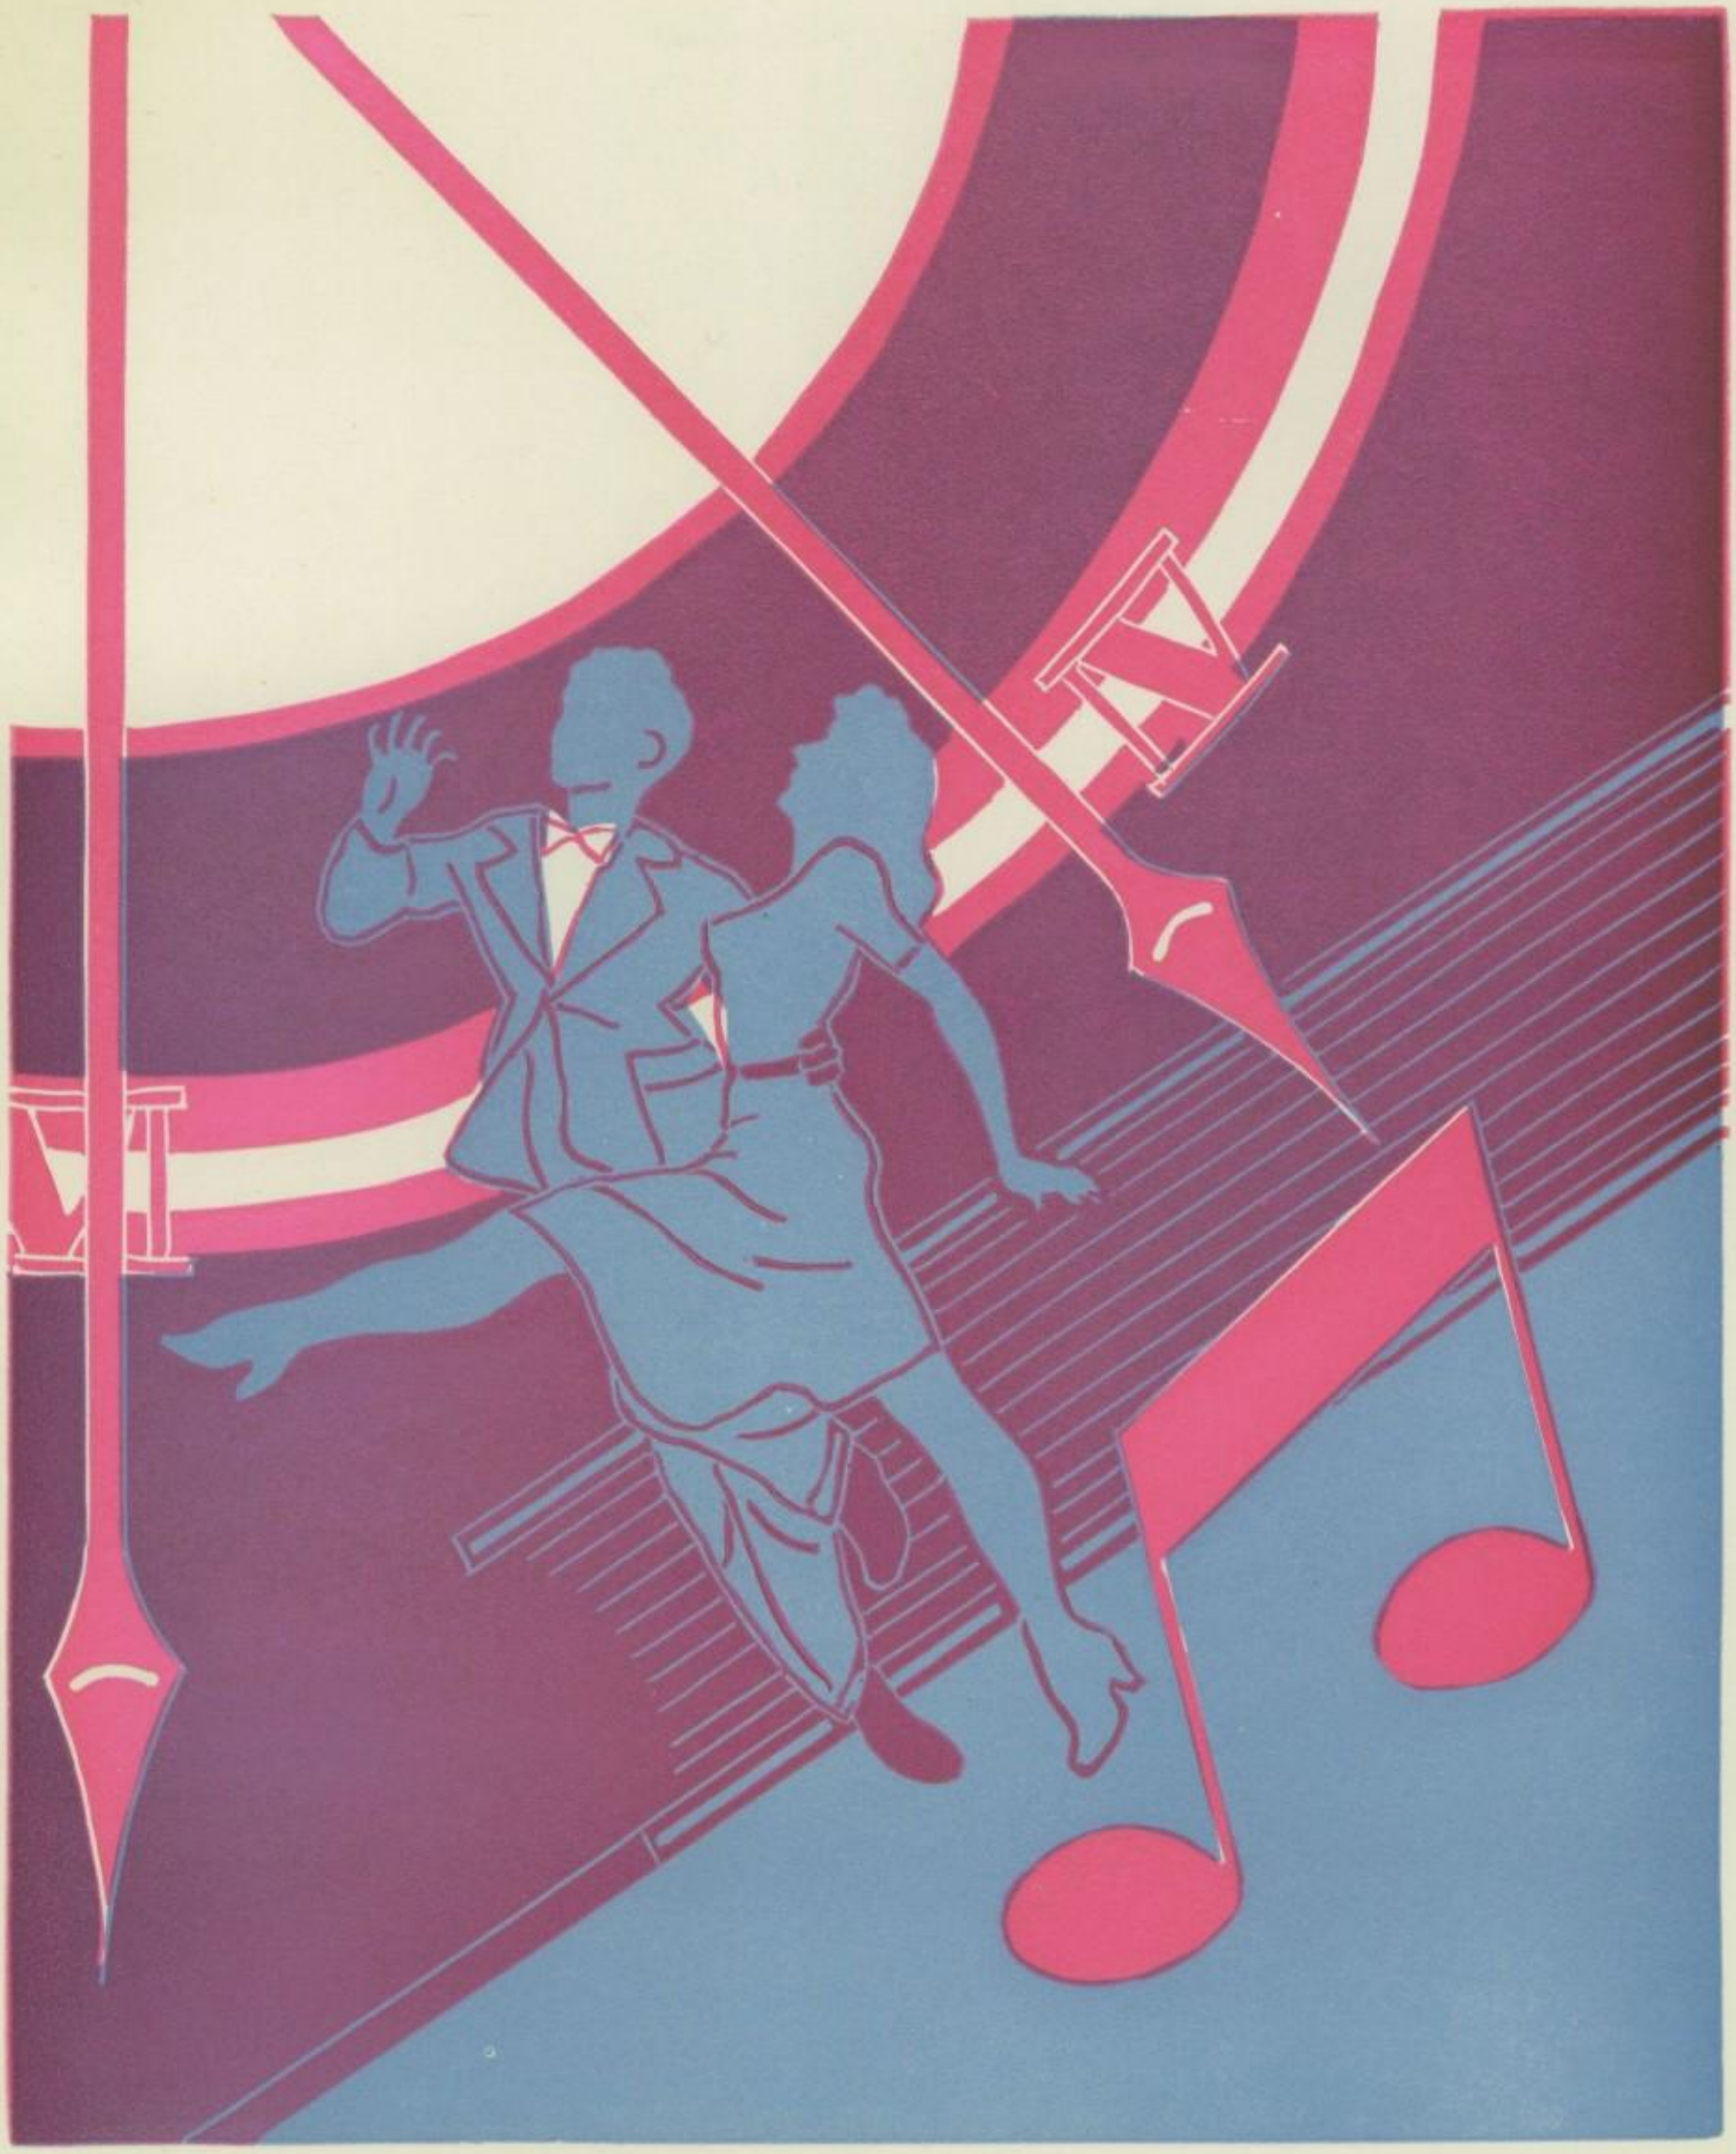
The School Year

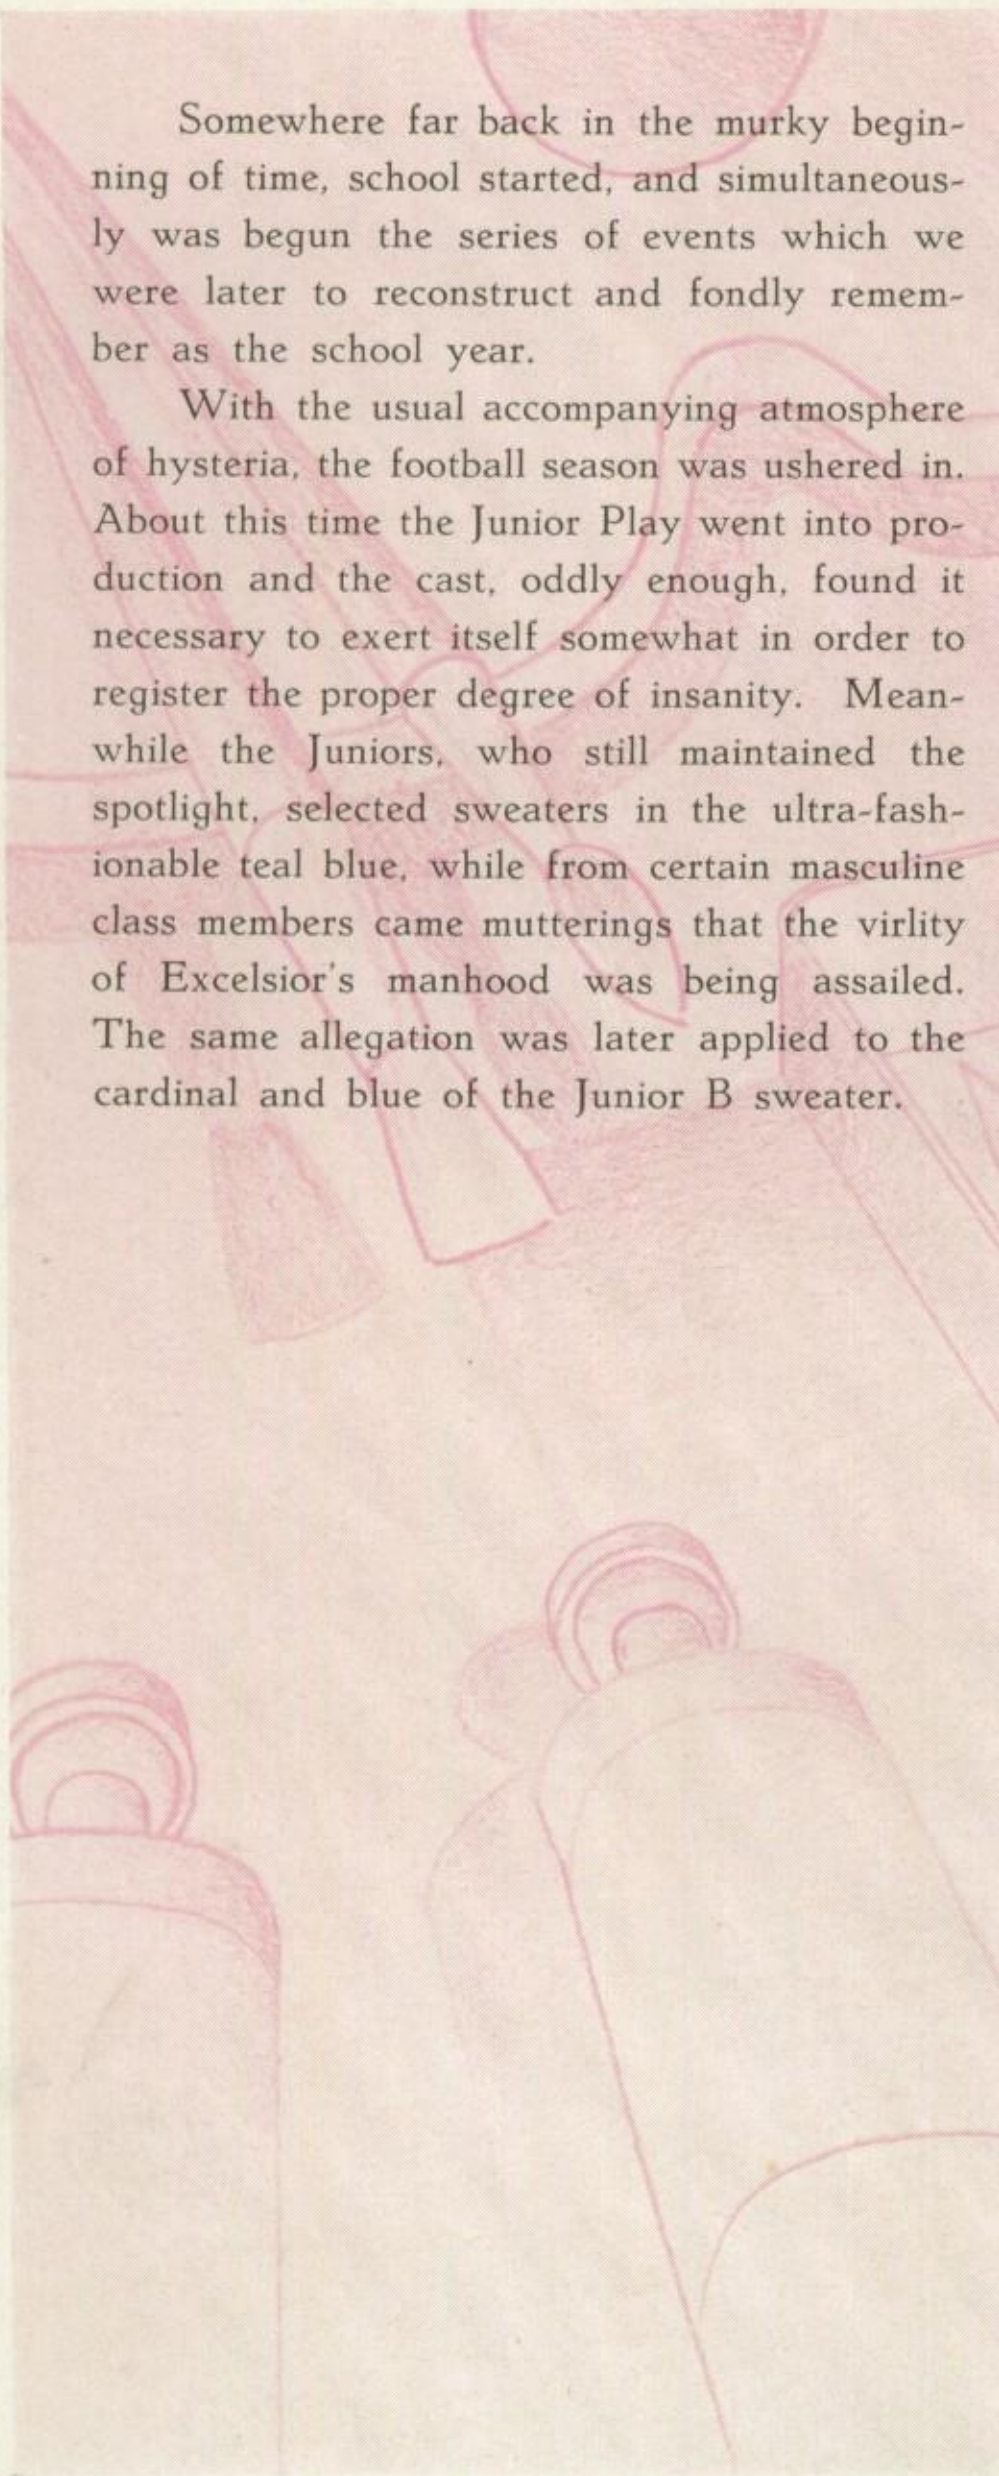


Well Betty old thing and boo as one sweetball to another I think you are absolutely and unquestionably swell. Life is a lot more fun when you are, and I want to see you this summer so don't fail me.

Tally Ho
Carol Myers

Somewhere far back in the murky beginning of time, school started, and simultaneously was begun the series of events which we were later to reconstruct and fondly remember as the school year.

With the usual accompanying atmosphere of hysteria, the football season was ushered in. About this time the Junior Play went into production and the cast, oddly enough, found it necessary to exert itself somewhat in order to register the proper degree of insanity. Meanwhile the Juniors, who still maintained the spotlight, selected sweaters in the ultra-fashionable teal blue, while from certain masculine class members came mutterings that the virlity of Excelsior's manhood was being assailed. The same allegation was later applied to the cardinal and blue of the Junior B sweater.



The football boys look a little discouraged; c h e e r up, fellas, there's next year . . . Then, a couple of pictures on, you may find yourself if you look sharp enough . . . Miss Chapin, Miss Watkins, and Miss Roach are out for their inevitable noon stroll . . . Then we see Larry drowning his sorrows with a Big Bear—too big, perhaps . . . In the next picture, the photographer tells us, there's a dummy. Aw, heck, you find it! . . . Maybe Coach Kendle's worrying a b o u t the basketball boys' beards . . . Next to Bennie, the football hero (in one of his glamorous p o s e s), we're wondering whose hand Marion has . . . And don't overlook all those charming people in the bottom row, including the Casanova pose at the end!

The three stooges in the corner are working on technique, and Mr. Dyer looks fetching. (And some sillies still say they prefer Robert Taylor. Oh, well!) . . . Jimmie Kyle looking as if the world didn't understand him — or maybe vice versa . . . Likewise Fern, or is she trying to pout like Simone? . . . Who's the bashful athlete hiding behind the elbow there? . . . Oooh, lookit what Francis has and lookit how it affects him . . . Eleanor Hatch enjoys the pause that refreshes or sustains or something . . . The football boys are trying to keep the opponents from making sawdust of Excelsior. (Ouch! That shows how low a captioner can stoop!) . . . Esther must be about ready to start combing her hair again . . . Oh, Mr. Gillispie, may I have your autograph?

Earlier in the year we had been favored by a singularly diverting display of puppets, and conceive our delight when (somewhat later) two more, this time from Jordan, appeared in assembly. Forthwith they led us in school yells and then told us how very much they loved us and how much we should love Jordan. Despite all rumors to the contrary, our our conduct was above reproach and we were profoundly touched. Nevertheless, the entire faculty and a fair representation of the police force turned up at the following Jordan-Excelsior game. There were those who claimed to discover something of incongruity in the two affairs, but in the end it depends on the individual viewpoint.

California's much advertised landscapes were, as usual, cluttered with industrious biology students in search of such miscellaneous items as sea shells, wild flowers, and insects. Innumerable students were fished out only just in time from the marine depths and the ultimate was achieved when a conscientious botanist included a tidy sprig of poison oak in his collection. The casualty list was terrific.

We're pretty fond of this Mona Lisa pose in the corner, but you can have the monkey act that Dorothy Failor and her pals are pulling . . . That apple picture: wonder where the snake is? (Or isn't this the Garden of Eden?) . . . We labeled that picture of Beulah and Dorothy "typical scrubs" and then discovered they were sophomores! . . . And there's Gene Crowl, the camera fiend . . . Two groups in the middle there seem to be enjoying idiots' delight . . . We have it on good authority that Mr. Ashton is drinking (sh!) water . . . Phil Dunham, with bowed head, sells another annual, and next to him George Murphy demonstrates what happened to the three little fishes . . . Can't you just hear Harold Maddox saying, "My friends"? . . . And in the bottom row, there's a boy STUDYING!!

It would seem that the basketball team lacked something of covering itself with glory this year. The jinx, however, was satisfactorily explained when their coach revealed (quite in confidence) that the time-honored custom of acquiring foilage until victory was stymied this year by the lamentable fact that only two on the team were physically capable of growing beards.

Aside from his tendency to wander about the stage like a hungry timber wolf, Neil Gillispie in his reign introduced much in the way of progress. The seniors at long last can ditch without blue slips cluttering their imaginings, and the boys, in self defense, have organized a league of their own.

The Senior Play brought no respite from lunacy and the Board seriously contemplated adding a psychiatrist to faculty. Even our dances reflected this tendency, so that after the array of Corrigan dances, loud shirt hops, and other equally disconcerting themes, the comparative dignity and calm of the Junior-Senior Prom was infinitely soothing.

In this corner we have the local sewing circle as they knit two, purl two . . . Do you suppose there is a celebrity shyly hiding behind that purse? . . . Then, we have Doris, Ruth, and Betty showing off for Trial Flights . . . Mr. Ford impales an unknowing student with an accusing glare while Mr. Hawley looks for a protozoa or maybe a molecule and Neil arranges his coiffure . . . Ah, there's Glen! Hi, curly top! . . . Doesn't Hall Remelin look sweet and coy here? . . . Two pictures over, someone leaps before he looks—happy landing . . . Above the table Rosemary smiles sweetly. After all, what is gravity to a girl like her? . . . That's Jerry Reynolds ignoring Emily Post—and why not?

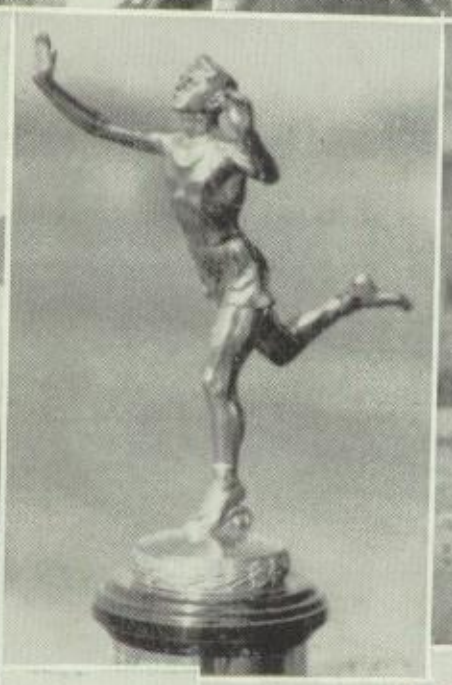
The faculty observed with much approval and considerable surprise that nothing more potent than spitwads were being hurled in study hall, with rotten eggs conspicuously absent from the list of missiles, and reflected happily that something resembling dignity was at last identifiable with the school. The general concensus of opinion was, however, that the freshmen were losing their effervescence.

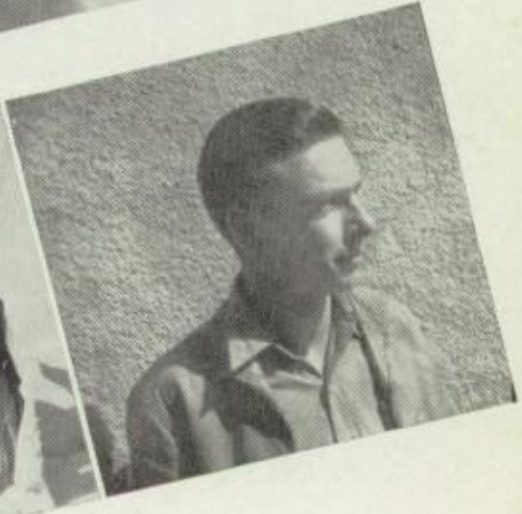
The Mothers' Teas this year were produced on a stupendous scale. The cast, in fact, was so utterly mammoth that what students remained for audience felt some overwhelmed.

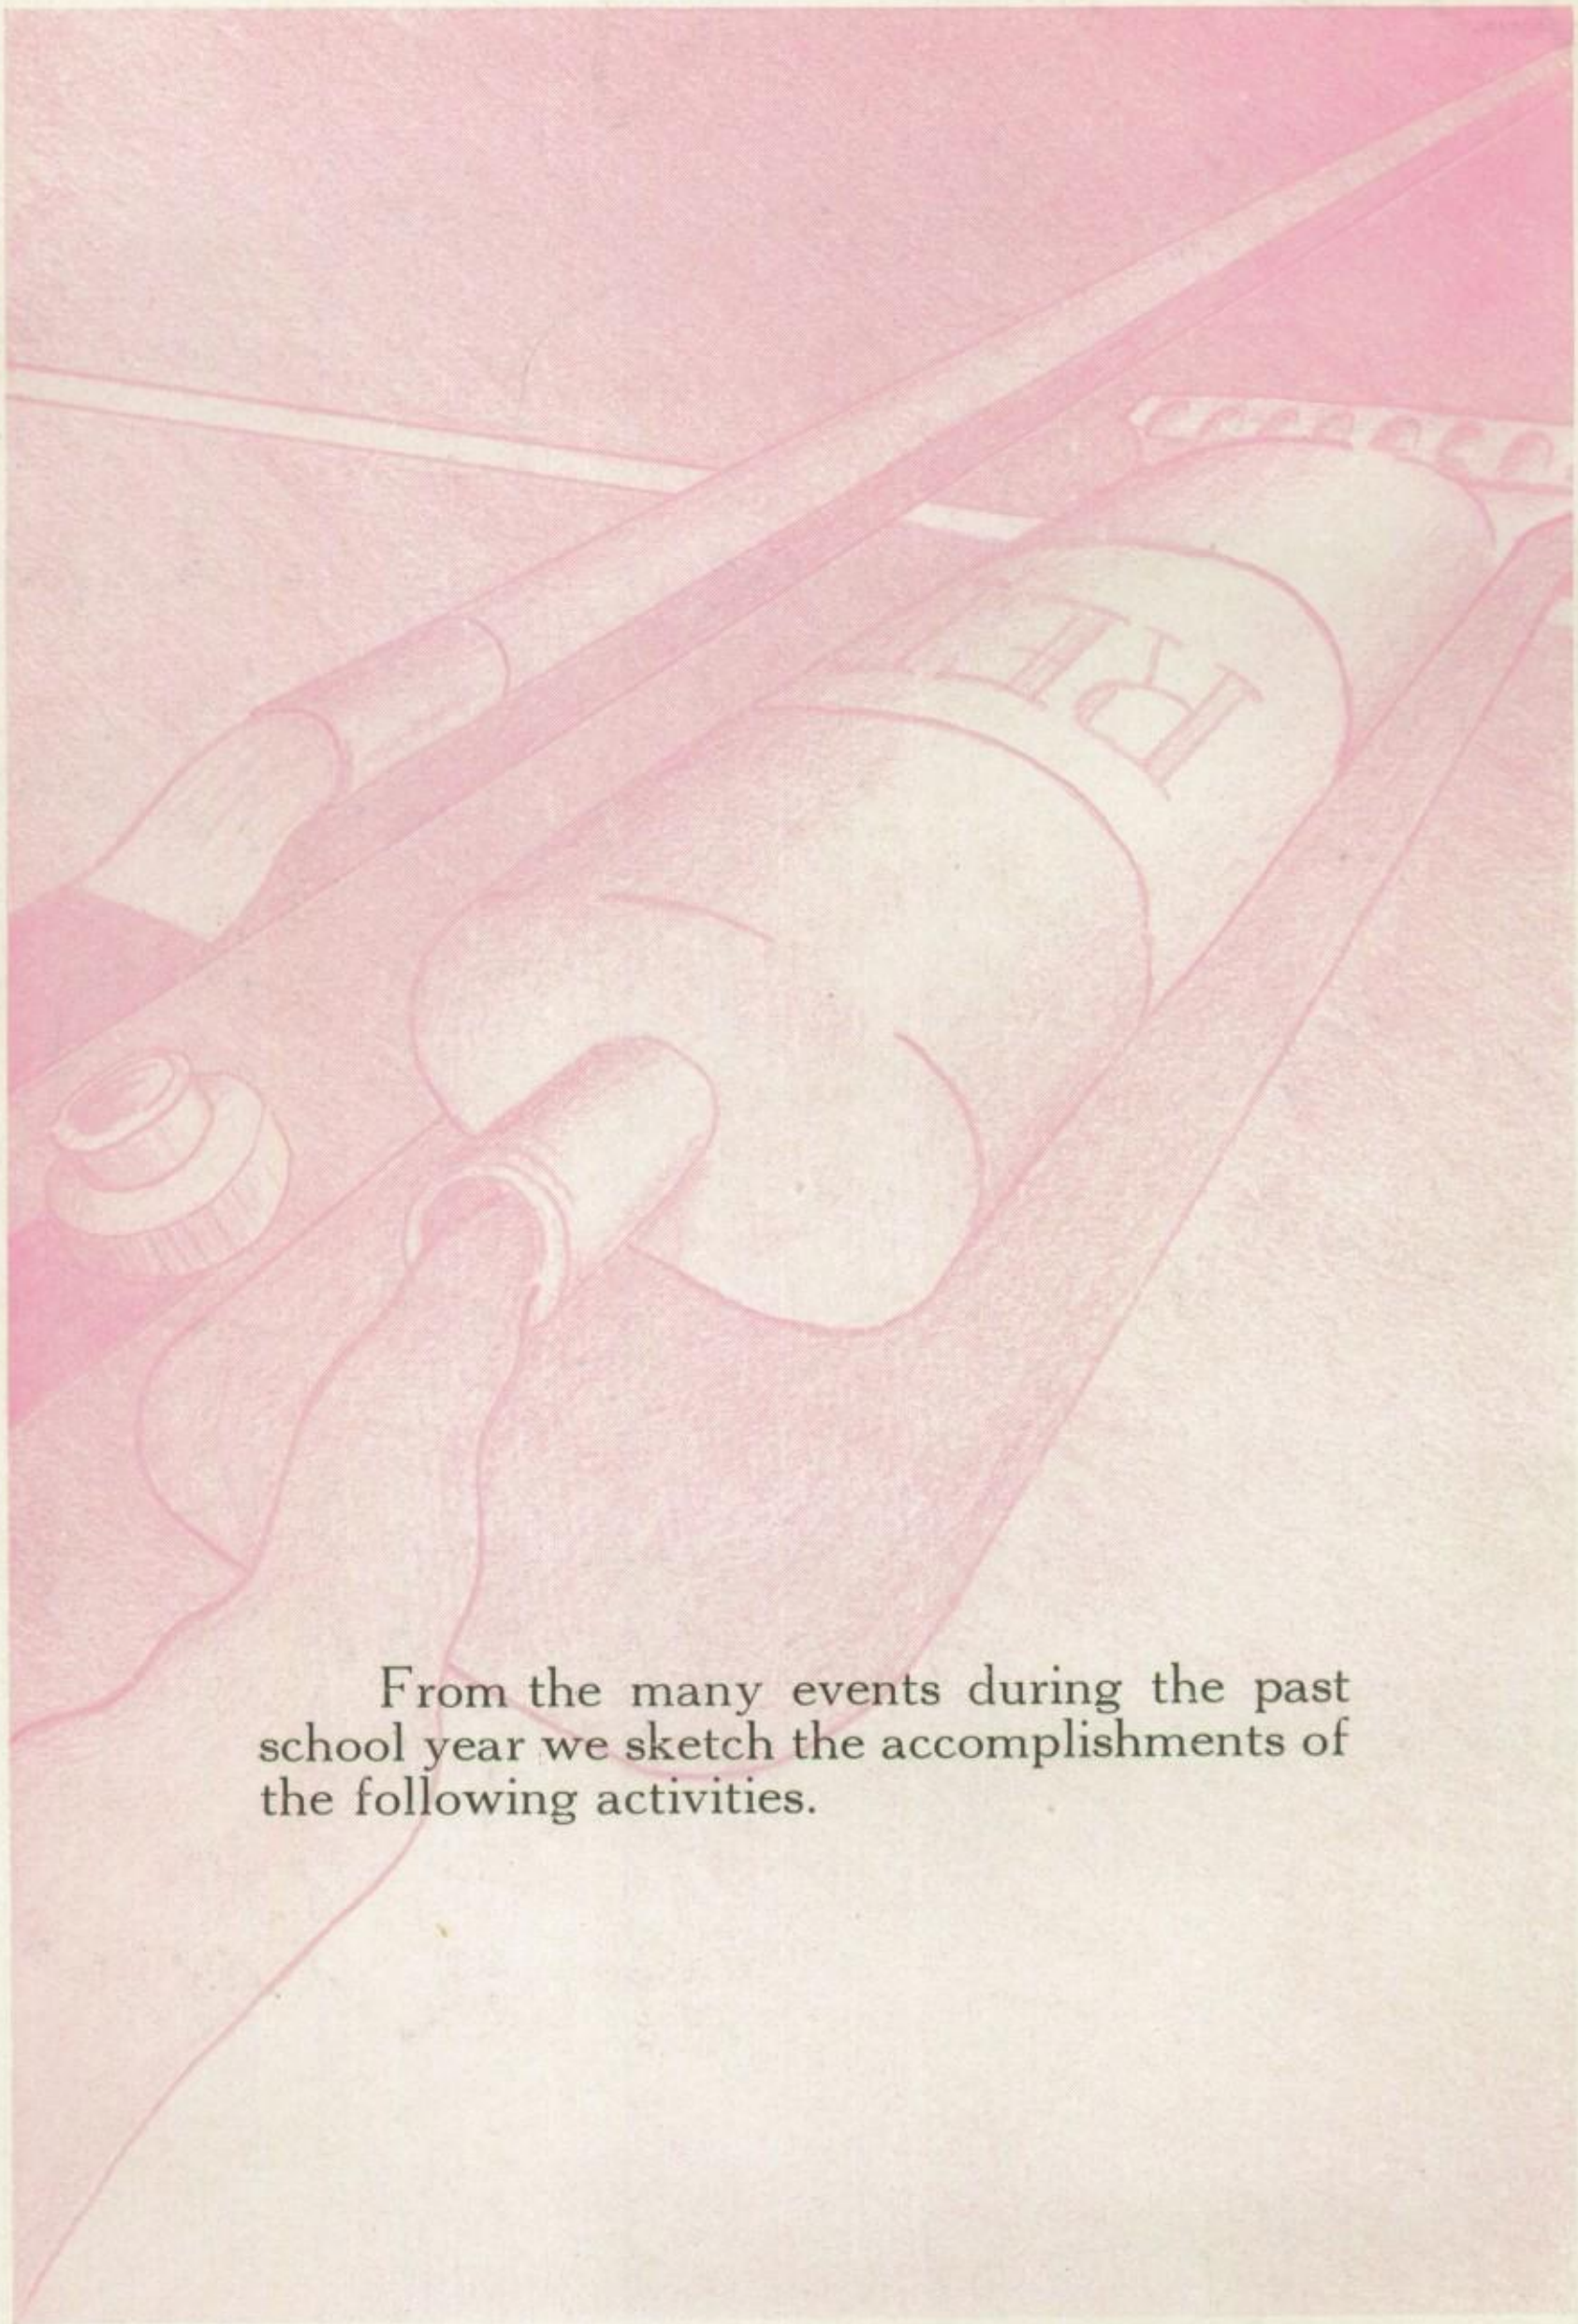
Meanwhile we, the Annual staff, have conscientiously tortured our brains and given our all for El Aviador. Out of the utter chaos that is the inevitable outcome of "going to press" has eventually and miraculously come the nineteen thirty-nine El Aviador. This, the final product, we present to you in the fond hope that it will achieve your approval. Treat it tenderly, and in your declining years may you find in it something sprightly in the way of reminiscing.

—CAROL MYERS

So this is how we watch our song leaders, huh? . . . That little number with the frame is Betty Liggett's prize-winning snap. Where's Topper? . . . Carol Myers in her version of the Prisoner's Song . . . And Gene Padelford as Jesse James . . . Well, Dorothy, drop something?—your jaw maybe? Who's that guy in the middle, anyhow? . . . The picture next to him might be labeled "Before" . . . An apple, huh?—teacher's pet! . . . The track squad shows off . . . And won't Neil Gillispie and George Murphy be sore when they see this picture! We think it's pretty cute . . . And some Mothers' Tea shots at the bottom.







From the many events during the past school year we sketch the accomplishments of the following activities.

Dear Betty.

I have been

BOYS' LEAGUE

GIRLS' LEAGUE

Through the efforts of the new student body officers, a Boys' League was organized last semester. In order to have the representation of all the boys at school the student body president, Neil Gillispie, appointed boys from all the various campus groups to draw up the constitution. Mr. Dyer and Mr. Gerard were chosen as the club's advisors. The constitution was then submitted to an assembly of all the boys for approval. It provides for the offices of president, vice president, secretary-treasurer, and yell leader, and an executive committee of fifteen upper classmen, two sophomores, and one freshman. In the election Larry Sutton defeated Joe Garfield to become the organization's first president.

The Girls' League exists primarily for the purpose of creating a spirit of friendliness among the girls of Excelsior and, during the past year's activities, has achieved much in this direction.

Under the presidential leadership of Dorothy Hisey the various departments, Ways and Means, Friendship, Girls' League Council, Cabinet and Sports Council, have functioned efficiently.

Teas.

Also sponsored by the different committees were the Hi Jinks, Sports Banquet, and climaxing Mothers' Teas, all of which were highly successful.

ANNUAL STAFF

This year's El Aviador was published on May 31 wtih a lovely artist's palette on the cover, the general theme being "Art." The publication was the most colorful in the history of the school, having each alternate page in color. A new lay-out was planned where all the pictures were arranged on the right hand side of the page and all the writing on the opposite side in larger and improved type. The number of pages was the same as last year's annual, yet it seemed larger than all previous ones because the paper was heavier.

A novel sales drive was begun on March 8, preceeded by a week's notice posted in all the rooms advising "Don't buy your annual!" After a record sale of annuals the drive was concluded on March 25 with a "Colored Shirts and Skirts Dance" in the gym, presented by the staff. Jerry Reynolds won the drive by selling two hundred and seventy-nine annuals with Stella Asawa running a close second.

Miss Chapin was in charge of this year's publication and the staff wishes to express its sincere appreciation to every faculty member and student who assisted the staff in any way.

EXCELSIOR LIFE

The Excelsior Life for this year hit a new high in variation and individuality of column and another new feature was an increase in the number of block cuts for the inside pages. Mr. Hastings was the faculty adviser and his aid was greatly appreciated by the staff.

Following tradition, a special "Cub Edition" was put out by the members of the Journalism class each semester, while the staff "vacationed." Also a second special publication was the one devoted to the members of the graduating class.

The main event of the year was the attendance of the staff at the Annual Newspaper Day at the University of Southern California. The day was filled with exciting events highlighted by lectures presented by two very distinguished foreign newspaper correspondents from Germany and China. An interesting trip to the Times Building in Los Angeles was taken with the Annual staff and Excelsior Life staff attending. Both trips were of great value to all who participated and were certainly enjoyed.

"BRAIN TROUBLE"

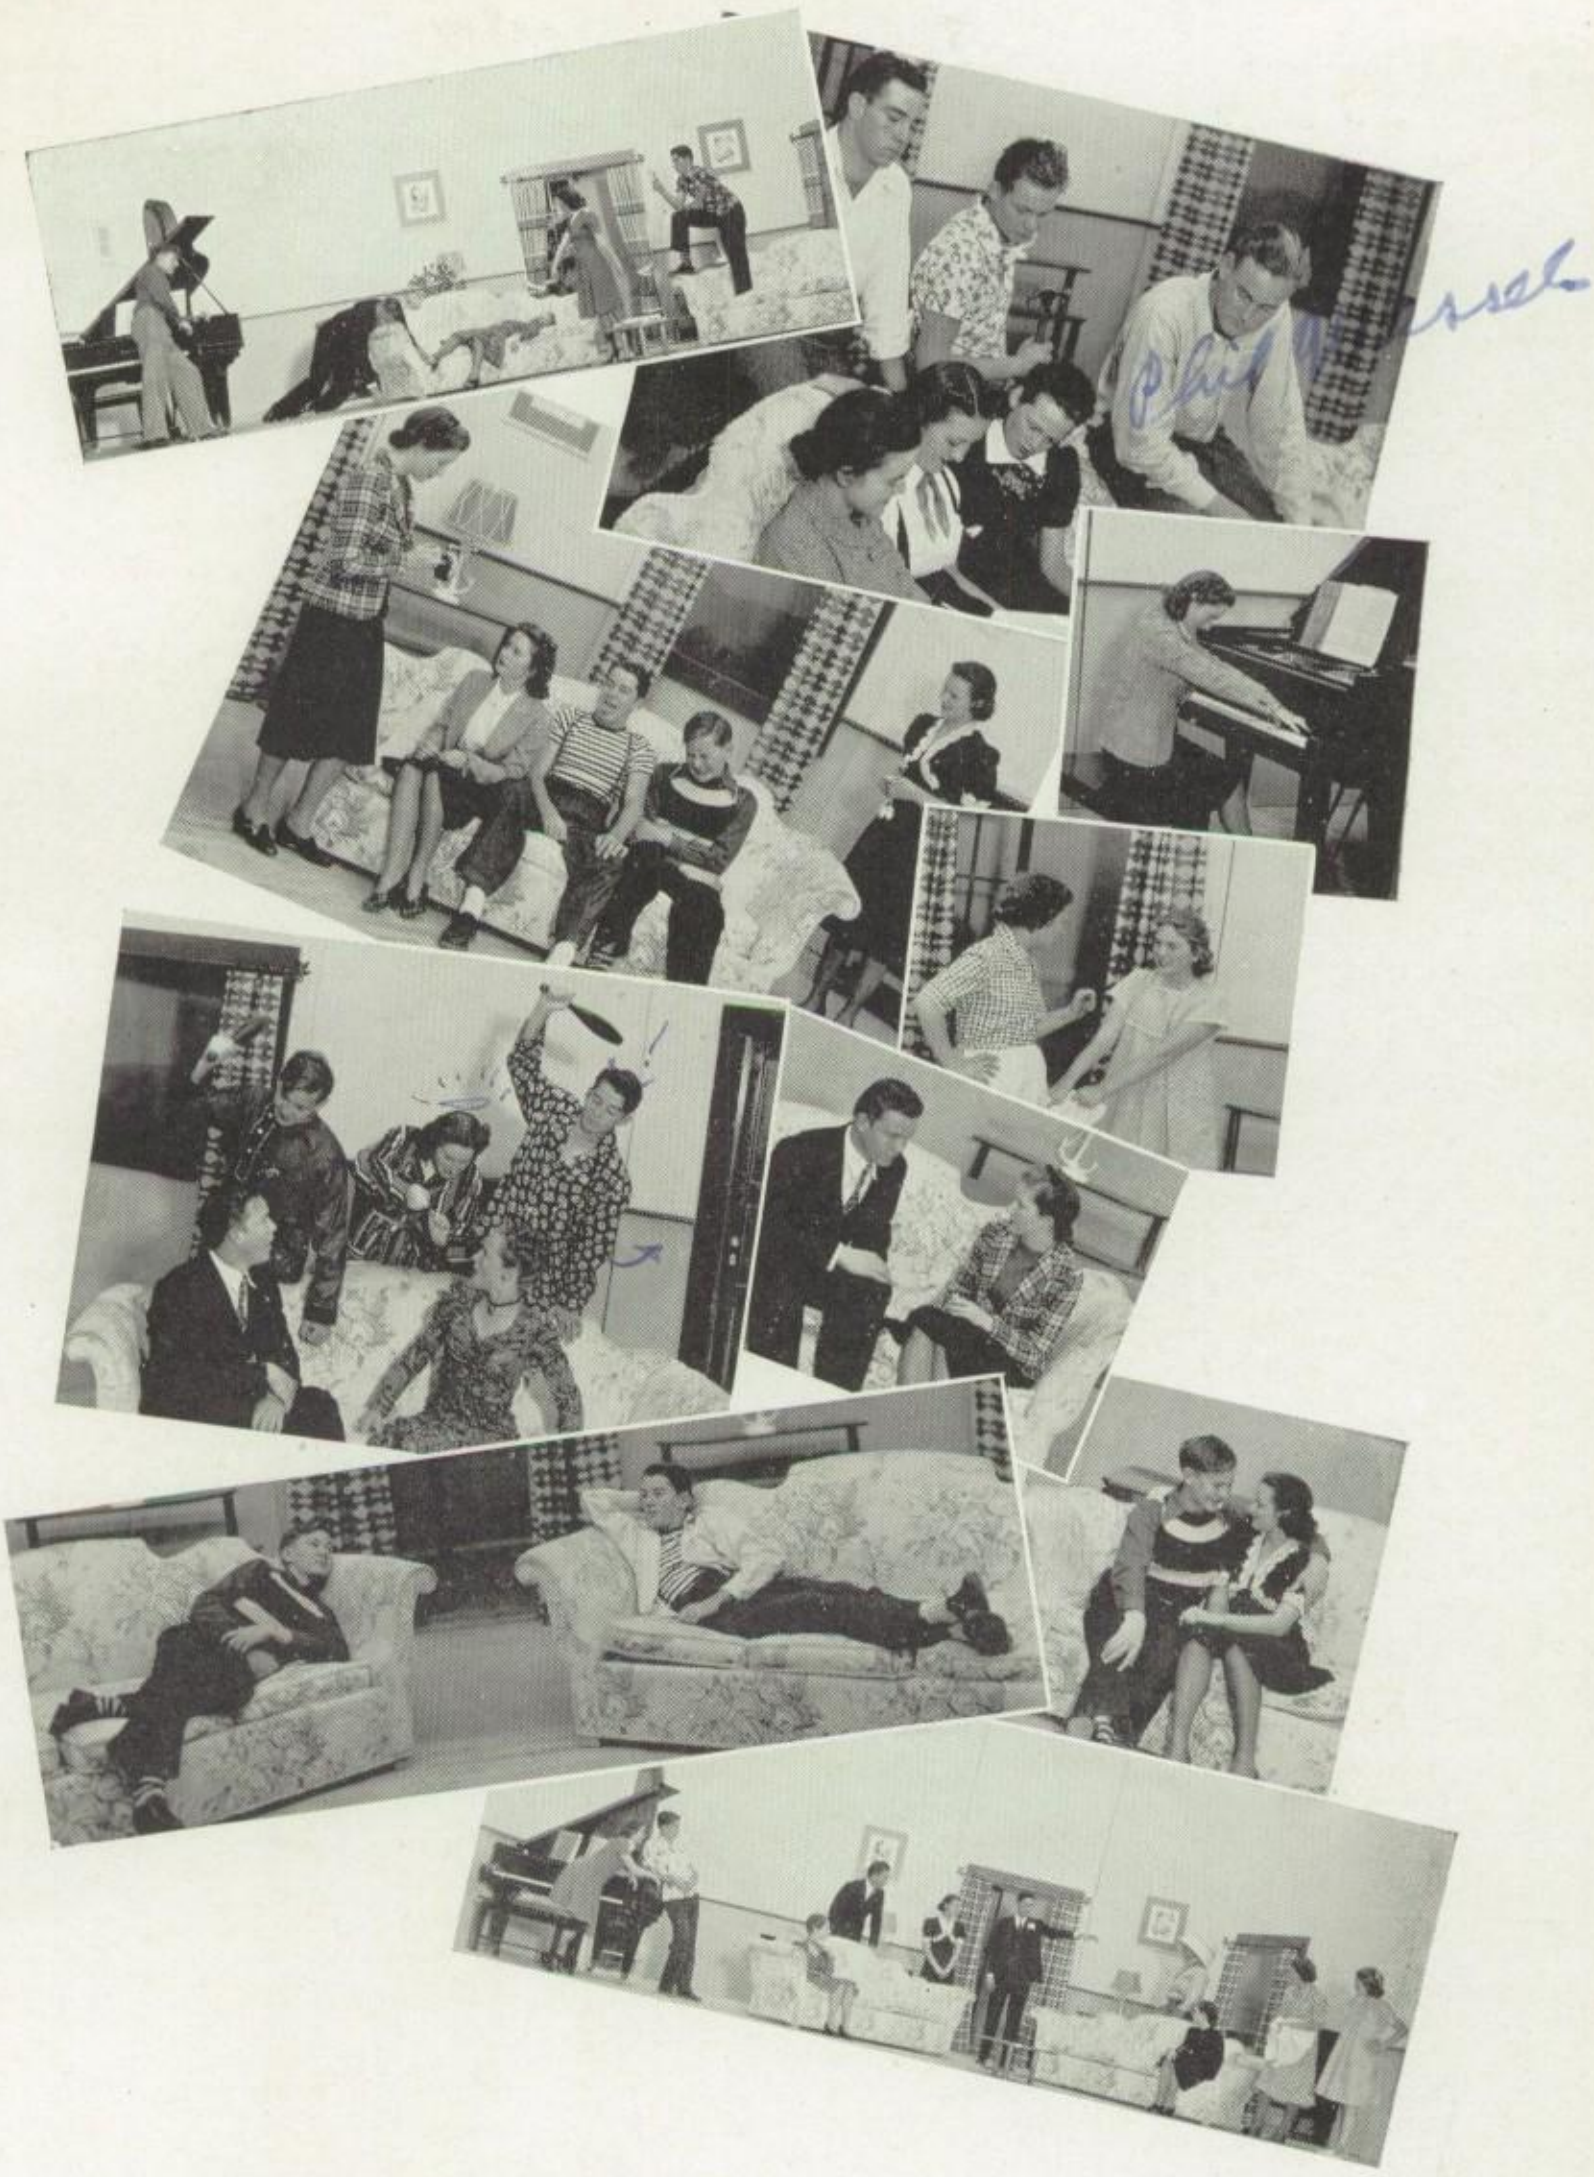
Presenting, for the first time in the history of Excelsior, a play written by a faculty member, this year's Junior classes enacted "Brain Trouble," a strictly "insane" comedy both written and directed by Miss Elizabeth Chapin.

The role of Professor Stoddard, whose contemplated matrimonial affiliations brought about much of the havoc upon which the play was based, was essayed by Leon Greene. His daughter, Babs, in whose titian head was hatched the equally chaotic scheme of feigned insanity, was capably handled by Jane Pierratt while her two brothers, Paul and Joey, were portrayed by Dick Schillinger and Arthur Cox, respectively.

Esther Boyle as the psychology professor, Julia Duncan, entered into competition with Mrs. Mary Gay (Olive Mae Jeanson) for the heart of the professor. Additional romantic interest was provided by Sue Leverett as the daughter of Mayor Cameron (played by Francis Humphries) in her highly demure love scenes with Paul.

Clara, the maid, was portrayed by Ruth Nolan, and her daughter, the awkwark Phyllis, by Carol Myers, substituting for Faye Ledbetter who developed illness during the last week of rehearsals.

Gladys Grimes served in the capacity of Student Director, while Seldon Kempton was stage manager.



Dear Betty:

Hi!

"DEVIL IN THE CHEESE"

"The Devil in the Cheese," Broadway hit of yesteryear, was presented by the senior classes under the expert direction of Mrs. Thomas and with the valuable assistance of Jaudeen Anthony, student director.

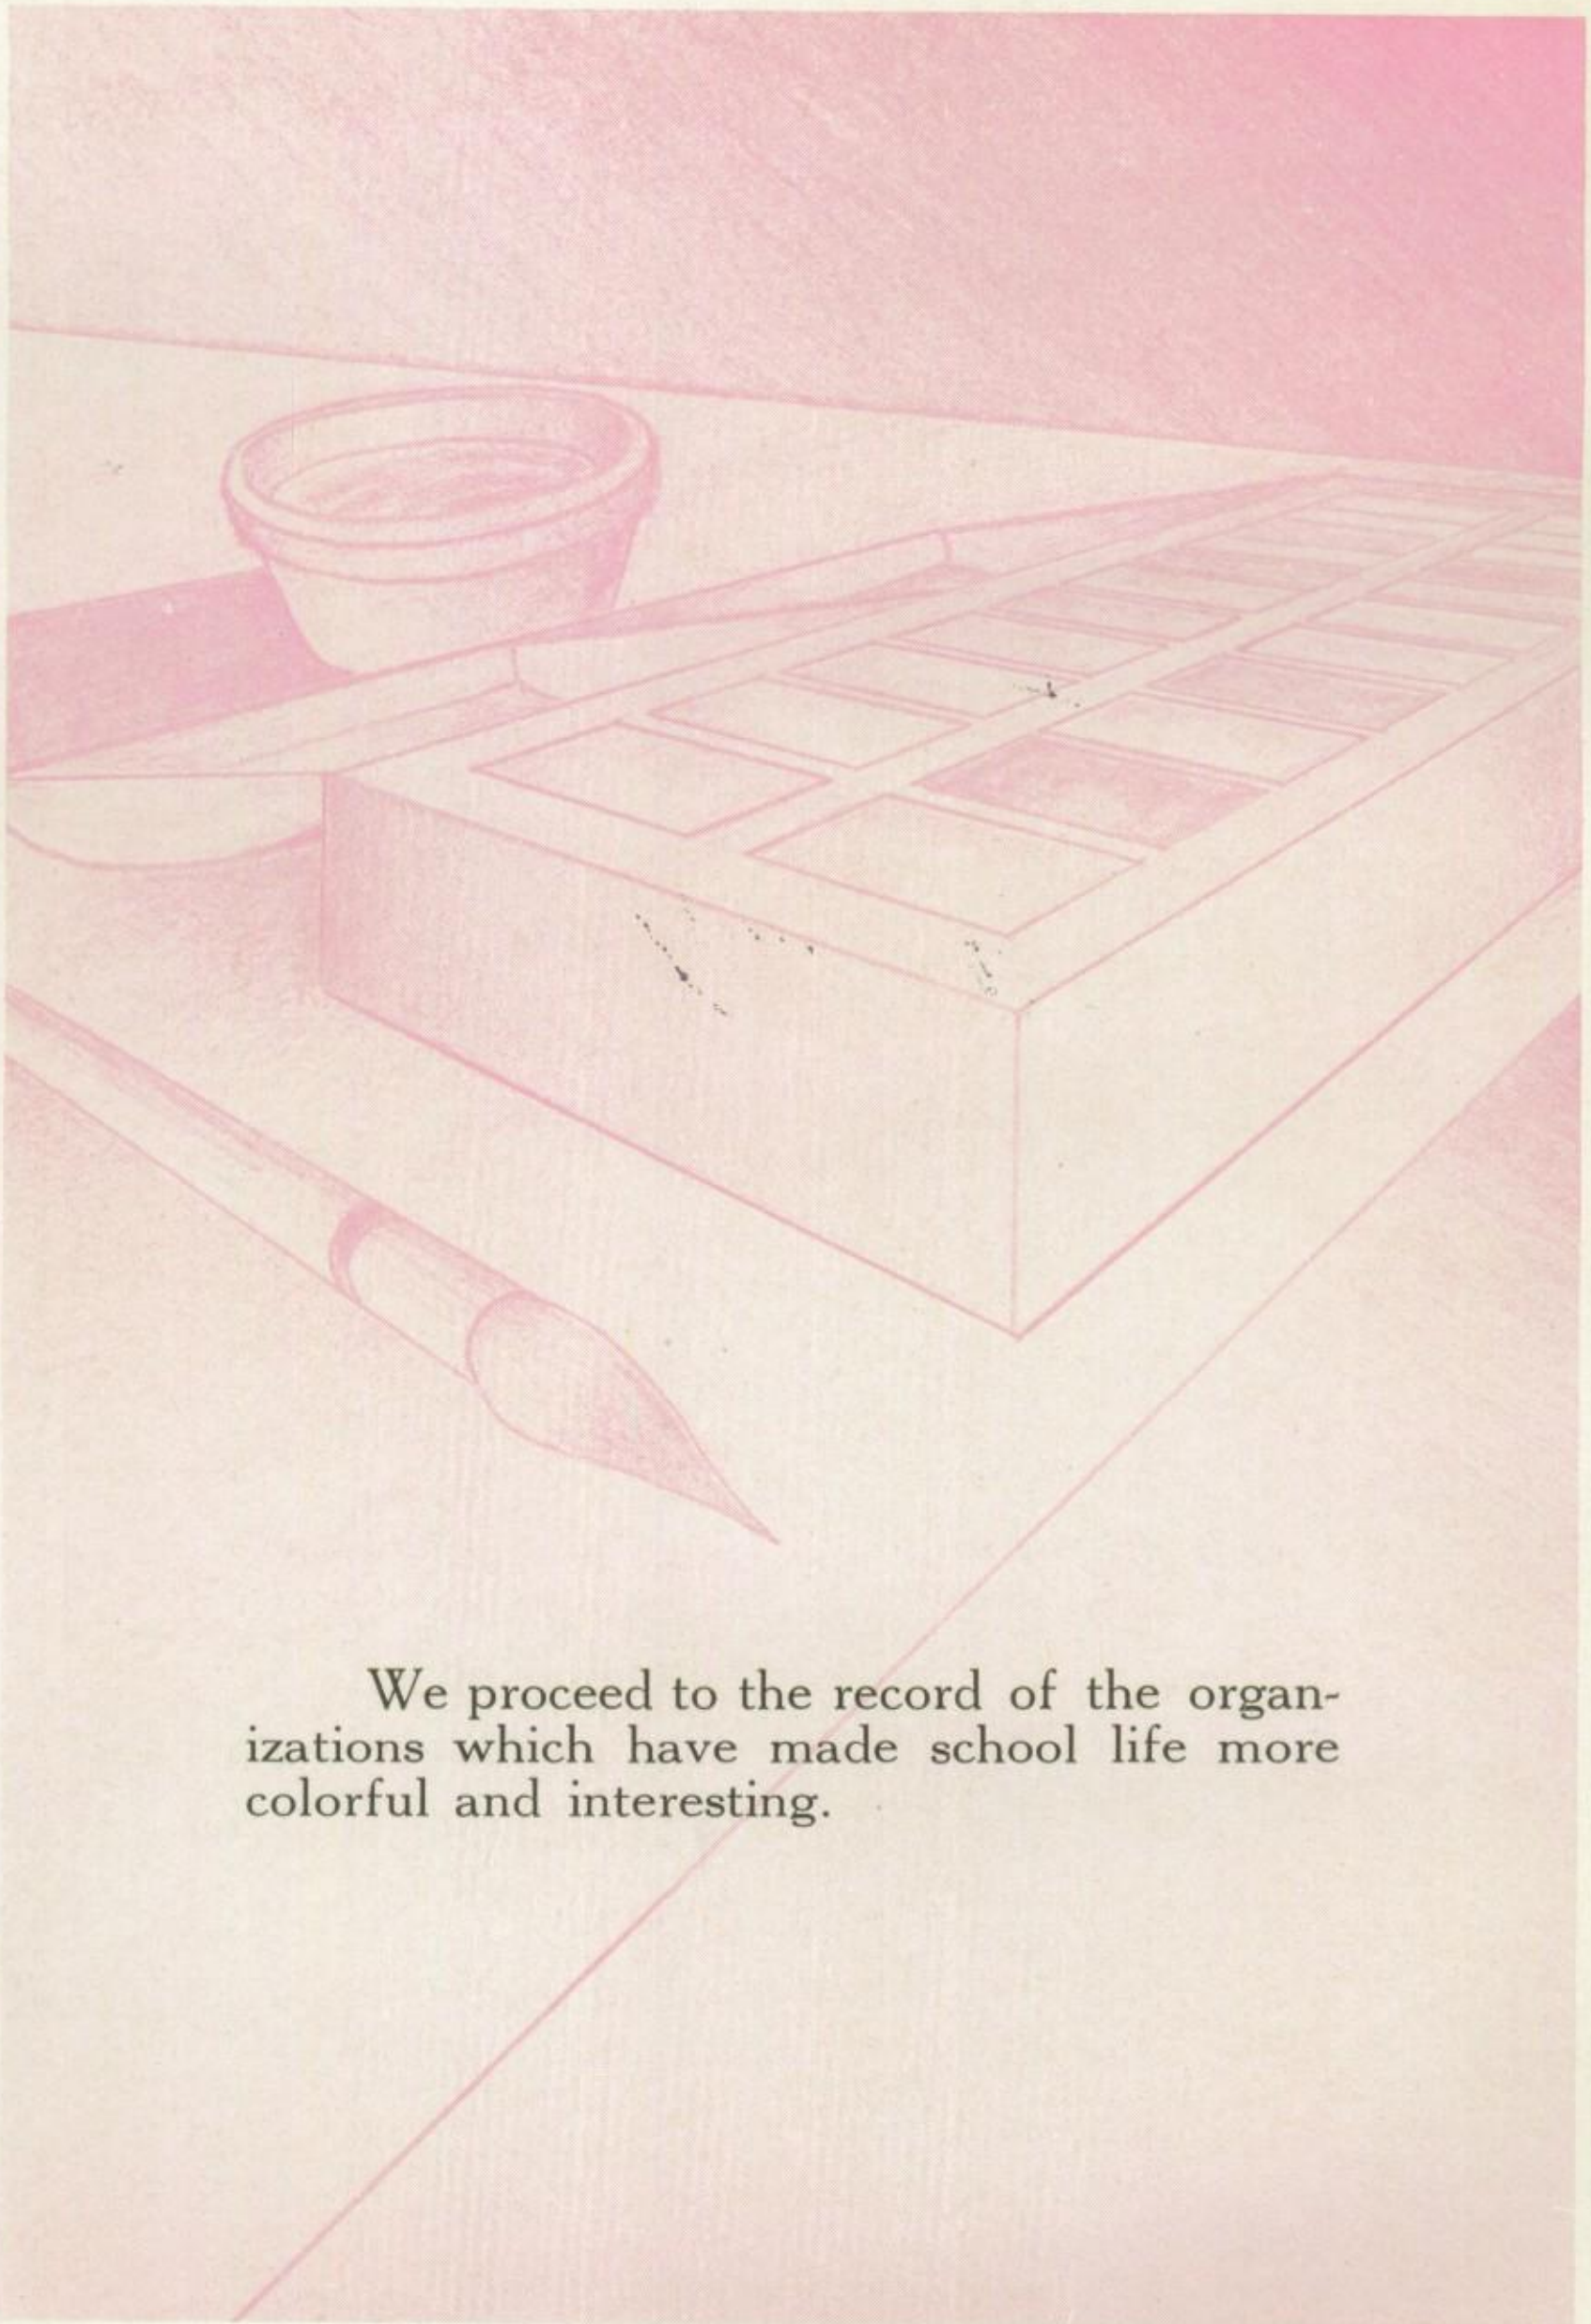
Dorothy Engstrom and Elbert Terry enacted the parts of Goldine and her amorous admirer, Jimmie Chard, while love's inevitable obstacle in the person of Goldine's father, Mr. Joseph Quigley, was provided by Burr Anthony, with Mary Ann Rymer in the role of his hysterical wife.

The part of Father Petros, in whose almost inaccessible monastery the action occurred, was handled by Douglas Reid, while Bill Willis, Eddie Timmons and Charles Leithead portrayed Doctor Jones, Constantinos, and Chubbock, respectively.

Bernice Towns as the disturbing Goddess Min, Bill Nicoll as Chief, Clarence Braden as Gorilla, Betty Pauluzzi as dancing leader, and Goldine's friends, Jaudeen Anthony, Jeannette Plender, and Trina Bartsma completed the cast.

The final production was augmented by the lovely scenery, costumes and music made possible through the various efforts of Mr. Clemore, Miss Wilson and Mr. Kirkpatrick.

Prominent in the efficient student staff were Steve Stefani, business manager, and Bill Brittle, publicity.



We proceed to the record of the organizations which have made school life more colorful and interesting.

Best of luck

This year's pep sessions presented in the audtiorium have shown through the efforts of the rally committee, more variety and more originality than ever before. Largely responsible for this have been Neil Gillispie, Bill Nicoll, and Randall Canfield who successively headed the committees, also the advisors, Miss Dexter, Miss Chapin, and Mr. Dyer.

The Trial Flights staff this year has been more ambitious than in the past. Trial Flights has been published in a larger, magazine form edition, with departments for many types of writing. In editorial position was Edna Bailey, assisted by Sue Leverett as associate editor. Betty Gail Rymer served as publicity manager, and Warren Hess as business manager, assisted by Shirley Hardy and Lois Bethurum. Mrs. Thomas has worked unusually hard to make it the most elaborate edition to date.

Through these organizations are expressed much of the individuality and accomplishments of the school and to the members is here expressed sincerest apprciation.

YELL AND SONG LEADERS

With George Dobias as chief yell leader, and with the capable assistance of Francis Humphries, Jack Crump and Milton Druey, the first semester's yell session was brought to a very successful close.

The song leaders' season was equally noteworthy and was headed by Mary Jo Flynn, with Faye Williams and Dorothy Engstrom as pom-pom waving assistants.

Milton Druey led the '39 season while Jack Crump and Fred Stussy assisted as Dorothy Engstrom took over song leaders. Lee Ora Abercrombie and Dorothy Coen were the two assistants who helped bring the season to a successful close.

VARSITY FOOTBALL

Excelsior vs. Anaheim

In the first league encounter of the 1938 season Excelsior met and humbled Anaheim to the tune of 13-0. Tad Iwata, star halfback of the Ashton eleven, scored both touchdowns in the second quarter.

After a dry first quarter the team opened up on her offensive playing and also opened the Anaheim line so that Iwata got away for 35 yards and the first tally.

The conversion failed and we kicked off to Anaheim. Anaheim then started her passing attack, which was going well until Le Count, great center, intercepted a pass near the 50-yard line and straight-armed his way to the 5-yard line, which led to the second touchdown by Iwata. Finley, left end, ran over for the conversion.

The rest of the game had its thrills, but by the great playing of the powerful line, Anaheim was unable to cross our goal.

Excelsior vs. Huntington Beach

In the second game Excelsior "went, saw, and conquered" a hard-hitting Huntington Beach team with a score of 13-0.

In the first few minutes of play the Green and White capitalized on a Huntington Beach fumble and Iwata, diminutive halfback, went over for the touchdown and then kicked the extra point.

In the second quarter, after several minutes of very hard playing by both teams, Iwata took the ball on the Oilers' 20-yard line and wove his way down the field for the second score.

VARSITY FOOTBALL

The conversion failed, but since the Pilots were on the long end of a 13-0 score they settled down and played a great defensive game for the remainder of the contest.

Although the Oilers threatened in both the third and fourth quarters with their passing and running attacks, the playing of the line and backfield held them scoreless.

Excelsior vs. Orange

With only 5 minutes left to play against Orange, Giacomi, Excelsior fullback, made the touchdown that defeated a surprisingly strong team 12 to 6.

Orange scored the first touchdown, in the first quarter, as the result of a blocked punt that was recovered behind the Pilots' goal.

The game was all Orange's until Gillispie, Pilot fullback, intercepted a pass and ran 60 yards to a sensational touchdown that left the Excelsior rooters weak. The conversion failed, however, and the score was tied, 6-6.

With a tie staring them in the face, marring their so-far perfect record, the Pilots put on the pressure and advanced to the Orange 20-yard line.

From there Finley snagged one of Iwata's accurate passes and fought down to the 5-yd. line. It took two plays for the inspired line to push the Orange eleven back so that Giacomi could carry the pigskin over for the winning touchdown. The conversion was blocked. With only 2 minutes left to play, the Ashtonmen got the ball and hung on until the end of the game.

Excelsior vs. Newport

In a game made significant by the inspired playing of the whole Excelsior team, and especially the backfield combination of Giacomi, Iwata, Alewyn and DeVries, the Pilots were held to a tie score of 12 to 12 by the Sailors of Newport Harbor.

Our nemesis of last year again proved to be a very powerful team and made the first touchdown in the second quarter. The first quarter was evenly fought with good, clean football.

The third quarter was marked by penalties against our team and a touchdown by Iwata that tied the score. The conversion failed, leaving the score 6-6.

The last quarter saw touchdowns by both teams.

The game seemed to be ours but in the last minute of play, Newport completed a long pass over the goal line. They failed to convert and the score remained 12-12, much to the Excelsior rooters' disappointment.

Excelsior vs. Jordan

In the final game of the season, Excelsior lost to the Jordan team and consequently lost the Sunset League football crown.

The Pilots' lot looked particularly bright when, in the first few minutes of play, the Excelsior squad drove 76 yards to a touchdown. The Green and White team fairly ripped the Panther line apart on the touchdown drive, with Iwata going over for the tally from the 8-yard line. The attempted place kick was blocked.

With the passing of Gaspar to Stewart paving the way, Jordan made the next touchdown in the second quarter. The conversion failed, leaving the score tied 6-6.

The last half was mostly all Jordan's. Recovering a fumble early in the fourth quarter set Jordan in reach of the winning touchdown. As a result of a long pass and a lateral, Shoop of Jordan, crossed the line standing up for the touchdown. The conversion was good, making the score 13-6.

The Pilots made a total gain of 223 yards to Jordan's 199, and had 10 first downs as compared to Jordan's eight. The team put up a game fight and should be complimented on its fine showing and record during the season.

Again this year six Pilot gridders were placed on the All-Sunset League football first and second teams. Bennie LeCount, center; Tadao Iwata, halfback; and Earl Dunn, guard, on the first string, while Harlan Myers, guard; Hall Remelin, tackle; and Bruno Giacomi, fullback, are on the second team.

C FOOTBALL

The Bees, under the direction of Coach Kendle, started the season by defeating Anaheim 7-0 in the first league game, a score made after a march of seven first downs.

Pilot Bees were deadlocked in a 13-13 tie with Huntington Beach, with Dressler smashing over the line in the last few minutes of play to achieve the tie.

With strong support from the line, Dressler again led the team in giving the Orange Panthers a 13-0 trouncing.

Newport Harbor in turn fell prey to the victorious Pilots to the tune of 19-0.

The middleweights' luck changed with the loss of the game and the league championship to Jordon 13-0 on their gridiron.

Pilot lightweights, coached by Mr. Langdon, began a victorious season by defeating Garden Grove in a practice game with the unusual score of 2-0.

The Cees again achieved victory by defeating Tustin 12-7 with Ben Kudo, star fullback scoring both touchdowns, the second by a spectacular 20-yd. run.

Driving to a 12-0 victory over Orange, Pilot midgets displayed their strength.

Carrying off Excelsior's first championship of the 1938-39 season, the Cee squad won its final league game with Newport Harbor, to cinch the Sunset League football crown.

BASKETBALL

Under the tutelage of a new coach, in the person of Mr. Kendle, Excelsior gained an upset victory over the strong Anaheim squad by a score of 23 to 21. The winning basket was scored by Finley after a very exciting and thrilling game, in an overtime period. The teams seemed evenly matched and got off to a fast start which was not diminished until luck favored our team and the ball sailed through the Colonists' basket.

The next two games, against Huntington Beach and Orange, were marked by high scores against the Pilot hoopsters, much to the chagrin of the Excelsior rooters.

Beaten unmercifully by Huntington Beach, 34 to 15, and by Orange, 35 to 9, the varsity cagers were hopelessly outclassed and put out of the running for league honors.

Finley was high point man in both games and established himself as the most valuable man on the team.

BASKETBALL

Again the Pilots were defeated, in their fourth league encounter with Newport Harbor, this time by a score of 29 to 20. This game saw the playing of two new recruits in the persons of Jenkins and Russell, who displayed fine basketball playing throughout the game. The Pilots were leading at the half-time period but were held to one point in the last half while Newport scored 11 digits.

In the last game of the season, with our traditional rival, Jordan, the varsity cagers lost by a score of 34 to 28. The first half was dull and the Pilots could not find the basket, so that they were behind by a score of 20 to 9 at the end of the half. Coming to life in the last half the hoopsters scored heavily but were unable to overcome the tremendous lead held by the Panthers. Visser, center, led scoring for the Pilots with eight points.

The players should be congratulated for the fine sportsmanship they showed throughout the season.

Herb Finley, guard, was honored by being placed on the first string of the Sunset all-league basketball team.

C and D BASKETBALL

Also under the direction of Mr. Kendle, the Pilot Bees won a thrilling victory from Anaheim, their first league opponent, by a one point margin, 26 to 25.

The next game, with Huntington Beach, was not quite as successful and ended with the Excelsior quintet on the short end of a 23 to 18 score.

The next two games were both won by the rejuvenated Bee squad. Defeating Orange, by a score of 30 to 24, and Newport Harbor, by a score of 34 to 32, the school had hopes of having a championship middleweight team.

These hopes were shattered when Excelsior's fighting cagers went down before the undefeated Jordan squad, 23 to 18. The starting lineup of Porter, Weekley, Vicencia, Garfield, and Harwood tried hard but could not overcome the lead Jordan held from the first.

Both the C and D basketball squads, under the coaching of Mr. Langdon, won two of the four league games scheduled.

The Cees won from Huntington Beach and Orange and lost to Anaheim and Newport Harbor.

The Dees reversed this procedure, winning from Anaheim and Newport Harbor while losing to the Oilers and Panthers.

The Newport Harbor game was especially close. The Cees losing by 5 points and the Dees winning by 2.

VARSITY TRACK

For the second consecutive year Excelsior brought home the pennant that signified victory in the annual Anaheim Novice track meet. First places were scored by Bunkelman in the 220 yard dash; Harkness in the 440 yard dash; Good in the mile run; and Eliot in the discus. The varsity scores coupled with the Bee and Cee scores were sufficient to top the rest of the teams and secure the pennant.

In the first league meet of the season, with Anaheim, Excelsior ran home with the winning score of 67½ to 45½. Clean sweeps occured in the discus, Eliot, Jacoby, and Young; broad jump, Porter, Iwata, and Gillespie; and pole vault, Padelford, Okumura, and Dobias. In winning the pole vault Padelford set a new school record of 11 ft. 10 inches.

In the Invitational Brea Relays Excelsior captured a tie for second place. The only winning Pilot team was in the four-man mile. The team, composed of Harkness, Phillips, Bunkelman, and Dunham, set a new meet and school record of 3 minutes, 39.8 seconds. A total of 16 medals was brought home from the relays this year.

Marked by the triple win of Eddie Morris, sensational Huntington Beach sprint star, the Pilot tracksters won their second league meet by a large margin, the final score being 82 to 31. Clean sweeps were scored in the 880 yard run, the mile run, and the high jump.

Continuing their winning streak the Pilot spikesters downed Orange by a score of 80 to 33. Clean sweeps in the 440 yard dash, 880 yard run, mile run, pole vault, high jump,

and broad jump gave the Pilots a substantial lead.

In the annual Southern Counties Invitational Meet Gillespie took second in the broad jump and Dobias tied for second in the pole vault. In tying for second Dobias set a new school record of 12 feet even.

In the fourth league meet, with Newport Harbor, Excelsior continued its winning streak bringing home 86½ points to Newport Harbor's 26½. Eleven first places were taken and a school record broken. The record was in the broad jump with Gillespie going 21 feet 7 inches.

After an undefeated league season the Pilots lost to the Jordan Panthers by a score of 62 2/3 to 49 1/3 and lost the Sunset League varsity track championship as well. The Jordan trackmen outdid the Pilots in almost every event with Excelsior taking only four first places. The varsity spikesters did their best but because of several upsets were not able to amass enough points to win.

In the Easter holiday meet with Escondido Padelford set a new pole vault record of 12 feet, 3 inches. This bettered the mark made by Dobias of 12 feet even. This is the third time this season that the record has been broken and possibly may be broken again before the league finals and Southern California meets are over.

As the Annual goes to press the league finals are being held at Newport Harbor. Some of Excelsior's best men are entered and should come out on top. At least, we wish them 'Good Luck.'

In the first league meet with Anaheim, both the lightweight teams of Excelsior "brought home the bacon." The Bees won by a score of 59¼ to 44¾, and the Cees by a score of 58 2/3 to 18 1/3.

In the next two meets the Bees lost while the Cees won. In the Huntington Beach meet the Bees were beaten by a score of 64¼ to to 39¾ and in the Orange meet by a score of 64 to 40. The Cees won with scores of 38 3/5 to 38 2/5 and 55 to 22.

In the next meet with Newport Harbor the Bees continued their losing streak which seemed to jinx the Cees who lost by a score of 51½ to 25½. The Bee score stood Newport Harbor 74 2/3, Excelsior 29 1/3.

In the last league meet of the season, with Jordan, the class C spikesters were the only victors among the three classes. They won by a score of 48½ to 28½, while the Bees lost 57 2/3 to 46 1/3. In helping the Cee team win, Bob Myers, class C high jumping star, broke the record of 5 feet 4 inches, when he cleared the bar at 5 feet 4¾ inches.

VARSITY BASEBALL

Because of an upset schedule this year Coach Ashton's baseball team has played only one league game as the annual goes to press.

This game, with Anaheim, was won by the Pilots, after a 12 inning struggle, by a score of 6 to 4. Since Anaheim was scheduled as one of the toughest opponents it looks as if Excelsior has a very good chance for the league championship, which it has held for the past two years.

The practice games, which were played to warm up for the league schedule, have been numerous. The first game, with Fullerton, was lost 3 to 2. Excelsior came back later in the week to defeat Fullerton with a score of 7 to 3. In the same week the Pilots won over Brea in a no-hit, no-run game with a score of 3 to 0.

Other practice games have been played with Redondo, Compton, El Monte, Whittier, Long Beach Poly, and several other outstanding baseball teams. Excelsior has won more than her share of games and is fairly certain to repeat in the league.

Although many lettermen were lost from last year's squad, due to graduation, it does not seem to have weakened the team to any great extent.

The junior varsity baseball squad has also been doing very well in its practice matches. Its members met and defeated Dewey several tims and they have also played St. Anthony, Long Beach Poly, Jordan, and Wilson, winning most of the games.

This year there is a freshman baseball team composed solely of first year men. This team, along with the junior varsity, is under the direction of Mr. Kendle. It has no regular schedule but plays what games it can for the sake of practice, since the boys on this team and the junior varsity will make up the varsity team in a few years.

To all the teams we wish the best of luck.

VARSITY TENNIS

This year the tennis teams, under the tutelage of Mr. Goodheart, also have an upset schedule. As a result, as the annual goes to press, the tennis squad has played only one league game. This game, with Anaheim, was lost, unfortunately, by a score of 19 to 8.

This does not mean, however, that the squad has no chance for the league title. On contrary, they have a very good chance, for one is never certain of the outcome until the last game has been played.

As far as practice matches are concerned the varsity tennis team has done very well. Its members have won over Brea-Olinda, El Monte and several other good teams.

This year Excelsior was chosen as host for the annual league meet.

The junior varsity squad has also acquitted itself well, and won the first league match, with Anaheim, by a score of 15 to 12 and has won most of its practice matches with other schools. With this good record, and because it won the championship last year, it would seem that the squad has a very good chance for the title.

But no matter what the outcome we know that the Excelsior athletes in all divisions will show the same good sportsmanship that has always been synonymous with the playing of games at Excelsior.

GIRLS' SPORTS

This year several new sports were inaugurated into the realm of girls' sports and the schedule for other sports was slightly changed. Volleyball was played first quarter along with basketball and tennis. Speedball, a comparatively new sport at Excelsior, was open to all comers during the second quarter, and tennis continued until the end of the second quarter. The new semester introduced one of the new additions, modern dancing. Modern dancing, although it is not an athletic activity, was taught after school for all girls wishing to participate. Gym-team and hockey were also held during the second quarter. The semester was brought to a close with baseball, gym-team, and track. Track, which was led by Mrs. Heffernan and Miss Huerta, brought in several new sports. These were badminton, table-tennis and similar games.

Girls' Sports, another branch of the Girls' League work, are held after school and any girl may participate. A Girls' Sports Council is selected with officers of the Girls' Sports, and the highest honor one can attain in this section of the Girls' League is Chairman of the Council. This position is given to girls who have worked and played and have shown good sportsmanship and possess their chenille letter. During the first semester Ruth Ransom served as chairman with Billie Ruth Pinder succeeding her.

To the girls' advisors go many high honors. From them the girls have learned not only how to play the game but also the value of loyalty, good sportsmanship and all other things which make up an athlete.

CHENILLE WEARERS

Wearing a chenille is one of the highest honors one can attain in the world of girls' sports. Using the point system, the first award a girl can win is the little "E", which is awarded for 125 points. Following this letter are four white stars, a star being given for each additional 60 points. For 425 points the chenille E is awarded and two chenille stars are attainable.

Any girl going out for sports is eligible for points. These points are given for participation and for being a member of a class team. Additional points are awarded for playing on a school team and shields are presented to each member of a winning class team in any sport.

This year a new club has been installed for the girls wearing chenilles, a club organized for the purpose of bringing together the girls wearing chenilles and making sports more enjoyable for all girls.

On its roster are twenty-two members; twelve of which were charter members. Three of these girls have their second chenille stars and seven possess their first chenille stars.

The Chenille Club, with Miss Hollister as advisor, selected Marion Wall for president, Mary Ransom as vice-president, and Lilly Lee as secretary-treasurer.

BASKETBALL
VOLLEYBALL

Basketball enthusiasm warranted exceptional attendance this season, this being the first year in which enough freshmen and sophomore girls presented themselves to justify a third class team.

With Valley Capovilla leading the girls, some stiff interclass games were played in which juniors and seniors tied for championship honors, the juniors winning the first game, seniors the second. In the playoff the score was tied and the ten members of both teams received shields.

Basketball was held first quarter and was coached by Miss Payne and Miss Dexter.

Because volleyball, which had previously been played third quarter, was scheduled for first quarter this year, an unusual number of girls turned out, and a great deal of competitive spirit was aroused. The Junior team carried off the championship after a hard played game with the Seniors. Also in high rating was the Sophomore team.

Mrs. Heffernan coached the girls in volleyball, and Louise Owen was manager.

TENNIS
SPEEDBALL

The many girls who turned out for tennis this year were led by Arline Moore. Durthe first quarter a ladder tournament took place in each class, at the end of which time girls for class teams were selected by positions on the ladder.

The interclass tournament held the second quarter was subsequently won by the Senior class team.

To climax the season an elimination tournament was run off, in which all girls having participated in tennis were privileged to enter. Itsue Yamada came off first with Inez Zivelonghi the runner-up. The girls were coached by Miss Hollister this year.

Miss Payne and Miss Dexter led the second quarter speedball competitions this year while Mary Ransom took over the position of manager of all classes. Interclass competition was keen but the juniors triumphed, carrying off the victory at the expense of the seniors, by the very close score of 4-2.

HOCKEY
GYM TEAM

Hockey opened the second semester sports with a good turn out, for all classes have had a full team and substitutes. Lilly Lee was general manager, with Mrs. Larson and Miss Payne advising.

Hockey season proved to be a happy one for the seniors as their class had the winning team. The championship game with the juniors was very close with a score of 6 to 4.

To close the season the girls attended a hockey playday at Griffith Park wtih approximately twelve other schools present.

Gym team was open to all comers during the entire second semester.

The first quarter was devoted mostly to rehearsals for the Mothers' Teas and during the second quarter a tournament was held. Each girl received points for the tumbling stunts she performed and from this tournament the teams were selected.

Gladys Grimes was manager of the gym team. Miss Dexter was advisor, with Miss Firman filling her place competently during the second quarter.

BASEBALL and DANCING
TRACK and GAMES

Modern dancing, one of the new activities ushered in this year, met with much enthusiasm. This new activity welcomed any girl who wished to develop grace and beauty movement.

In dancing, the girls created dances, individually or in groups, and later presented them at the Mothers' Teas.

Track and games were held during the fourth quarter under the management of Hideko Masuda.

This is the first year games have been held at Excelsior. Ping pong and badminton were both played, each having a very good turn out and towards the end of the quarter a ladder tournament was held for the class teams, with the senior team winning.

The track schedule has been changed this year, all throwing events having been eliminated, with only the running competitions left.

Baseball season was opened at the beginning of the fourth quarter, with Setsuko Fujita as general manager. The turn out was good this year, and although some girls were participating in other sports, the teams were still strong enough to afford keen competition in the inter-class games.

At the opening of the season the girls voted on retaining the nine-inch ball and using the overhand pitch in place of the twelve-inch ball and the underhand pitch.

ACKNOWLEDGMENTS

This annual, like all annuals, reflects the work and interest of many people in addition to those whose names appear on the roster of staff members. Those to whom we are particularly indebted this year are the following:

Mr. J. Edmund Watson, who took the individual senior pictures and the shots of the plays.

Mr. Horace Scheifele, of the Lakewood Studio, who was responsible for the informal individual pictures, as well as the many groups.

Mr. Fred H. Smith of the Los Angeles Engraving Company, Mr. R. L. McGrath of the Weber-McCrea Bindery, and Mr. Bob Tarlton of the Bellflower Herald-Enterprise.

To all of these, our thanks!
